

Updated 03/16/2020

COVID-19

The Library will be closed (until March 30th at the earliest) as we strive to keep our communities safe. [Executive Order 2020-09 \(COVID-19\)](#)

Our WiFi is Your WiFi

Free internet access is available 24/7 outside the Library. Please feel free to sit in your car or in our garden and use our WiFi any time. Our network name is "Library Public WiFi". There is no password.

Borrow Digital Materials

If you have a Saugatuck-Douglas District Library card and access to WiFi, you can borrow digital materials on your personal device. Visit sdlibrary.org to get started. If you do not have a Library card, we will issue a temporary card for the purpose of digital borrowing. Call (269) 857-8241 Monday-Friday 10:00am-6:00pm or email info@sdlibrary.org to request a card.

No Returns

Our outdoor book drop is locked and we will not be accepting returns. Please keep all library materials until we reopen. You will not be charged late fees.

Holds

If you currently have materials on the hold shelf, they will be available for you to check out when we reopen. No new holds will be processed while we are closed.
