Request a **Children's** Book Bundle

Here at the Saugatuck-Douglas District Library we want to make it as easy as possible for families to find fun and interesting books even though they can't browse our shelves right now. That's why we are now offering Children's Book Bundles available for curbside pick-up.

The process is simple: Tell us what you're looking for – including the type of item (picture books, chapter books, board books, fiction, non-fiction) and the age of the reader. You can also let us know if there are any special topics of interest, for example dinosaurs, sports, or fairy tales.

We will put together a selection of 10-20 books just for you. We will call when it is available. When you are ready to pick up your bundle, just call us from the parking area and we will deliver it to the green bench just outside our front door.

To request a book bundle for your child, email info@sdlibrary.org or call the Library at 269-857-8241. Most book bundle requests will be filled within one business day. You may also place holds on specific items through the catalog as well as by phone or email.
