The Friends of the Library purchased a [Terracycle](#) box for recycling batteries!

You may drop your used alkaline batteries in our battery box by the front door, or bring them up to the circulation desk. Please do NOT include any rechargeable lithium ion batteries, or any battery used to power a device not classified as a portable electronic device.

TerraCycle recycles waste that normally ends up in a landfill, such as batteries, soft plastics, chewing gum, and much more! Learn about TerraCycle at terracycle.com.

DID YOU KNOW?

The Library now has a family pass to the [Grand Rapids Children's Museum](#) available for our patrons. The pass admits up to six people to the museum and is restricted to one visit per family per year. Please ask at the Children's Room desk for more information or to check out the pass.
