

We are happy to announce that the Library will be open to the public on Monday, October 5!

Due to COVID, we are limiting the amount of patrons who can be in the building, so we encourage you to call ahead to make sure we can accommodate you. If we are at capacity, we will take a reservation so you can access the Library. (269) 857-8241

**Monday-Friday
10:00am-6:00pm**

**Saturday (curbside only)
10:00am-2:00pm**

**Sunday (curbside only)
1:00-4:00pm**

Please read the guidelines below before entering the building.

If you are sick or are experiencing any COVID-19 related symptoms, please DO NOT ENTER.

Curbside pickup will continue. If you would rather place holds online and pickup outside, please continue to do so.

Patrons must wear a mask or face covering at all times while in the building. Children under 2 and anyone who cannot medically tolerate a face covering are exempt.

Maintain 6 feet of distance from others while in the building, waiting to enter, or returning materials to the drop box.

We ask that patrons limit their time and take approximately 60 minutes to browse, use computers, and checkout materials.

We are currently allowing 20 patrons in the building at one time. If the "at capacity" sign is posted on the door, please wait outside until it is taken down.

We will continue to reassess these restrictions and will gradually lift them as soon as we are able to do so.
