The Silent Auction raised over \$9,000 for the Library!

The Friends of the Library Silent Auction was a great success! Donations and dollar proceeds were double last year's. This was made possible by the generosity of local businesses and artists through donations of items and gift certificates, as well as the participation of the auction bidders and winners. Please shop and eat at our local businesses this season, as they have helped support the community!

The proceeds from the auction will go toward current library expenses and programs, and will supplement costs of the future library.

Thank you to everyone who participated in this event!
