The Saugatuck-Douglas District Library is pleased to announce the availability of a new research database, specifically for the business community. ReferenceUSA, a product of Infogroup, contains information on 49 million U.S. businesses and 274 million consumers. Users can search by industry type, geographic area as well as many other criteria.

ReferenceUSA is a great tool for building mailing lists, identifying new prospects and suppliers, or locating long-lost friends and relatives. Job seekers will benefit from the detailed company descriptions as well as the 2.5 million job listings and internship opportunities. The database is available to all users from within the Library. Saugatuck-Douglas card-holders have the ability to access the resource remotely through the library's website.

To access ReferenceUSA:

1. Go to <http://sdlibrary.org>
2. Click on "E-Library"
3. Select "ReferenceUSA" from the dropdown menu
4. If prompted, enter library card number
5. Start searching!

If you would like training on how to use this valuable resource, please contact Ingrid Boyer at stdib@llcoop.org.

On Thursday, July 13 at 2:00pm, the Fresh Food Fairy will be presenting a program for kids. Join us for fun with fruits and veggies. Each child will have a chance to make a smoothie on the Bike Blender!

The Fresh Food Fairy will also be appearing at the Douglas Social at 5:30pm. Everyone is welcome to stop by for a free smoothie, courtesy of the Library.

The digital magazine app, Zinio is now called RBdigital. Borrow magazines through the RBdigital app on your mobile device. We currently subscribe to over 150 popular titles including The New Yorker, Cook's Illustrated and The Atlantic. The new app makes reading digital magazines even easier than before.

If you were unable to attend one of our Community Conversations about the future of the Library, please complete our online survey. The last day to participate is July 31.

If you prefer, paper versions of the survey are available at the Library.
